WELCOME TO THE FLEET

Beautifully designed over two floors, The Fleet is a new privately owned care home based in Dartmouth in the picturesque county of Devon. Our care team provide exceptional levels of residential, nursing and palliative care for up to 39 residents.

The décor and quality furnishings throughout the home have been selected with our residents in mind as part of our recent refurbishment, effortlessly combining modern and traditional styles - helping residents feel at ease, feel relaxed, happy and most importantly, feel at home.

Making the decision to move to The Fleet should mark the beginning of a new and exciting chapter...

At The Fleet, you'll find large en-suite bedrooms, spacious dining rooms, a well-stocked library, cosy cinema room, and stunning gardens that stretch across the back of the home.

Our residents love nothing more than a leisurely stroll outside, taking in the fresh air and enjoying being close to nature.

As well as having a dedicated Activities and Events Co-ordinator, who plans a

variety of interesting things to do each week, our on-site Chef cooks delicious meals, which cater for all dietary requirements, combining new cuisines and good old family favourites.

It's important to us that The Fleet feels like home right from the beginning and our admissions process is informative, relaxed and free from any unnecessary stress or anxiety.

WE OFFER A HOLISTIC APPROACH TO CARE

Our approach is more than meeting care needs, it's about caring for the health, wellbeing and interests of our residents as a whole. We have a team of highly skilled professionals who understand the support needed to enhance the lives of our residents and create a thriving and happy ambiance.

The Fleet boasts an enriching and nurturing environment, with plenty of opportunity to make lots of new friendships and plenty of special memories to treasure.

Each of our rooms have been designed to offer residents the highest level

of comfort and a true home-from-home feeling.

Mealtimes are an important part of daily life at The Fleet. We pride ourselves on the quality of our catering and the range of choice available to our residents daily, with menus carefully designed with both nutrition and flavour in mind.

Making the decision to move to The Fleet should mark the beginning of a new and exciting chapter – one that allows residents to feel confident and happy while retaining as much independence as possible.

“The Fleet is a care home where one can be happy and confident that a loved one will be well cared for.”
